series, production date

Problem (public)

How can I find the production date of a Festo Didactic product?

Solution (public)

Some products show "12-2022" and are clear to be understood as "Dec 2022".

Some products show a code:
You will find a label on your product with the series (not an individual serial number).
It is a 2-digit code, e.g. P , D (or 4-digit code P D 06).

P will be used every 20 years.
So it could be 1982, 2002, 2022 or 2042.

D is pointing to December.
